### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Claims 1-5 are allowed over the prior art of record. Current invention claims an electrical switch having a button plate having three pairs of side pieces and a flexible membrane having three pairs of straight trapezoidal profile tabs. Each pair of side pieces inserted into a space formed between the pair of tabs for the switch to actuate six contact positions by the single switch. Such claimed structures, in combination with claimed limitations of claim 1, are neither disclosed nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Please see the attached PTO-892.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard K. Lee whose telephone number is (571) 272-1994. The examiner can normally be reached on Mon. to Fri. 6:00AM to 2:30PM.
